## EXPLORING TECHNOLOGIES - TIJ10K

Superior CVI invites all Grade 8 students to join us and explore the adventure of learning and improving their technology knowledge and skills - after school, two days each week from 3:40pm - 5:10pm (September - June)

We are very pleased to offer state-of-the-art technology labs for student use at Superior.

Gryphon Technology will be offered based on student enrolment. A lottery approach for the limited available seats will be utilized to ensure fairness. A wait list will be created if seats are oversubscribed.

Students who are successful in the Gryphon Technology after-school program will earn a Grade 9 Technology credit.

All Gryphon Kickstart programs will be held at Superior CVI. Parents / Guardians are responsible for transportation to and from Gryphon Kickstart Programs.

Is Gryphon Technology for me?

Gryphon Technology is a fun way to work on the skills critical to success in today's technological world!

Does it matter how good I am at technology?

No - that's what you'll learn. Students will benefit from Gryphon Technology regardless of their level of proficiency with tools and technology!

Will I earn credit for this?

You bet! You will earn your first high school credit, which will open up more choices for you in the years to come!

How do I sign up?
